

## **Representations of the Past: the Writing of National Histories in Nineteenth and Twentieth Century Europe**

This European Science Foundation Programme, which ran between 2003 and 2008, investigated national history writing from a comparative and transnational perspective leading to a range of publications, some of which are still forthcoming.

For details on the programme and the many publications arising from it, please visit its website: <http://www.uni-leipzig.de/zhsesf>
